

STERLING

355 Double Mitre Pull Down Bandsaw

The Sterling 355 offers double mitring, up to 60° mitring, a coolant system and a cast bow construction. This heavy duty saw has a 34mm blade for extra rigidity when cutting large beams and box section.

Sterling 355

The range of Sterling Pull Down Bandsaws are fast cutting, quiet running and ideal for sawing mild steel and stainless steel materials. They are single mitring with a quick release vice resulting in a good all round saw for the fabrication and engineering markets.

Machine Features

- Gravity downfeed (Hydraulic)
- Quick mitring swivel head up to 60 degrees - double mitring
- Cast bow construction
- Carbide blade guides for high accuracy
- Heavy duty
- Coolant System
- Blade tension indicator
- 34mm heavy duty blade
