

# BIANCO

## Bianco 280 M Manual Single Mitre Bandsaw

Bianco have been manufacturing bandsaws in Italy for over thirty years and have built a reputation for producing precise, reliable, and accurate machines. All machines have modern cast bows from special alloys to ensure one of the highest precision bandsaw ranges available.

The 280 M has quick mitring head capability allowing fixed roller track systems to be installed with the ability to cut at any angle up to 60 degrees. Two speed motors allow for both the cutting of mild steel and stainless steel.

**Bianco 280 M**

### Machine Features

- Instant pull down
- Quick mitring swivel head up to 60°
- Fast cutting
- Cast bow construction
- Carbide blade guides for high accuracy
- 2 speed motor
- Heavy Duty
- Coolant System
- Blade tension indicator
- Safety interlock switch fitted to bandwheel cover
- Material length stop

### Optional Equipment

- Gravity Downfeed and Electrical Skip (See the Bianco 280 MS, and the rest of the MS Range for larger cutting capacities)
- Roller track and measuring systems

**GRAVITY DOWNFEED
