

BIANCO

Bianco MR Double Mitre Bandsaws

Bianco have been manufacturing bandsaws in Italy for over thirty years and have built a reputation for producing precise, reliable, and accurate machines. All machines have modern cast bows from special alloys to ensure one of the highest precision bandsaw ranges available.

All MR models are fitted with a sliding vice, and have double quick mitring head capability allowing fixed roller track systems to be installed with the ability to cut at any angle up to 60 degrees right and 45 degrees left. Two speed motors allow for both the cutting of mild steel and stainless steel.
