

## RVD LFTS Sheet Metal Treadle Guillotine

The RVD LFTS Sheet Metal Treadle Guillotine is manufactured with a strong cast iron frame and equipped with front and rear gauges and rear guard.

Ideal for fast shearing of thin sheets.

The treadle design allows for hands free operation for accurate positioning of material.

An ideal machine for general use with thin sheets, we also have a range of more heavy-duty guillotines too.

**RVD LFTS 1320/1.6**

### TECHNICAL SPECIFICATIONS

MODEL	LFST 1320/1.6	
STOCK CODE	21542	
Cutting Capacity (Mild Steel)	mm	1.6
Cutting length	mm	1320
Speed	Strokes/min	-
Back gauge	mm	820
Front gauge	mm	330
Length	mm	1320
Width	mm	1180
Height	mm	1200
Weight	kg	460

### Machine Features

- Cast iron frame
- Surface ground bed
- Hardened and ground blades
- Upper blade can be turned

### Optional Features

- Blades for cutting Stainless Steel can be supplied, however the capacity would be just 0.6mm, and our recommendation would be to use a mechanised machine for cutting Stainless Steel
